

Fightback Press One-Pager

Fightback / FaithCheltenham

Core frame: a public editorial evidence site for documented disability-access failures, retaliatory legal tactics, child-safety concerns, and public accountability work.

Timeline highlights:

- 2020-07-17: Therapist record documented violence and lasting trauma
- 2025-05-14: Custody-related orders advanced while access issues were unresolved
- 2025-07-16: ADA accommodation request filed in the Alameda matter
- 2025-09-24: ADA denial review sustained the exclusion from meaningful participation
- 2025-09-25: Los Angeles DVRO matter opened a new protective lane

Public boundaries:

- No raw evidence files appear in public pages.
- Signer identities remain private by default.
- Witness materials, child records, medical material, transcripts, and private storage records remain inside Unburied.
