

# Press One-Pager

Faith Cheltenham Advocacy Hub

Core frame: documented coercive control, disability-access failures, retaliatory legal tactics, and a public campaign built on redacted records rather than open rumor.

Timeline highlights:

- 2020-07-17: Therapist record documented violence and lasting trauma
- 2025-05-14: Custody-related orders advanced while access issues were unresolved
- 2025-07-16: ADA accommodation request filed in the Alameda matter
- 2025-09-24: ADA denial review sustained the exclusion from meaningful participation
- 2025-09-25: Los Angeles DVRO matter opened a new protective lane
